Get a Grip on Your Business

Dan Wallace
Tailwind Discovery Group
8:30 am to 9:30 am

If you feel like your wheels are spinning, you're not alone. It doesn't have to be that way. In this presentation, Dan Wallace will introduce you to the Six Key Components™ of an effective business operating system, and he'll introduce you with a set of simple, practical tools that you and your leadership team can begin using right away to get the results you want.

Enjoy the Ride

Steve Gilliland, CSA, CPAE
SHRM's #1 Rated Speaker
10:00 am to 11:30 am

This program unveils a highly effective "people strategy" for human resource professionals to utilize in employee recruitment, retention and engagement. HR professionals are the lead agents that drive talent in their organizations. Through humor, as well as reality-tested techniques, the presenter will share a perspective on this role that is incalculable. Participants will learn:

1. An inspiring method for incorporating their organizations' mission and vision in a way that enhances employees' engagement and ignites their passion.
2. The leadership knowledge required to develop exceptional leaders and retain great employees.
3. The keys to creating a more revitalized work environment and how to connect people to the vision through accountability and ownership.
4. The importance of creating a culture that promotes performance, commitment and loyalty.
